

## Potsdam College Announces Swim Camp Plans

Potsdam College Summer Swim Camp Director Ken McLaughlin announces the 1989 Potsdam College Swim Camp with daily lessons from July 5 to July 28, resident camps from July 30 to Aug. 11, and Masters level groups from May to August.

The comprehensive camp has been designed to provide instruction in the beginning levels of swimming and guidance and instruction for more advanced swimmers who may have an interest in becoming competitive swimmers. The overnight camp for competitive swimmers will be offered in a week-long session. Experienced swimming instructors and counselors will be employed during all sessions. Overnight

campers will be divided into small groups and will be accompanied by a counselor throughout the day.

Camp Director Ken McLaughlin has just completed his fourth season coaching the Potsdam College Swim Teams. He was an All-American high school and

college swimmer and a member of the United States Swim Team to the Latin Cup Meet in 1982.

He has nine years experience teaching and coaching swimming from pre-school through college levels. In addition to serving as camp director, he will instruct the

competitive swimmers in the overnight camp and will supervise the training sessions for team swimmers.

For information and a camp brochure, call 267-2306 or 267-2311.

## Softball, Baseball, T-ball Registrations Continuing

Registration for girls softball, boys and girls T-ball, boys baseball and Babe Ruth baseball continue through May 3 at MVP Sports in Potsdam.

This year the boys and girls T-ball programs will be combined into one program. The program is for boys and girls who are 6 and 7 years old. You must have been six

on Dec. 1, 1988 and no more than 7 on July 31, 1989 in order to play T-ball. The other programs will remain the same.

Another change is this year is that the programs will not be partially funded by the New York State Division for Youth through the St. Lawrence County Youth

Bureau. This will mean that a registration fee will be charged, and that those signing up after May 3 will be charged a late registration fee. If the registration fee presents a financial hardship, please contact either Richard Van Leuven at 265-7532 or Ed Boyd at 265-6761 to make other arrangements.

## Slo-Pitch Meeting This Thursday

There will be a second organizational meeting for the Potsdam Slo-Pitch Softball League at 7 p.m. Thursday at Pine Street Arena. If a team representative cannot attend, call the Arena office at 265-4030.

\*SWITCHABLE TOUCH-TONE/PULSE phones work on both tone and pulse lines. Therefore, in areas having only pulse (rotary-dial) lines, you can still use services requiring tones, like the new long-distance systems and computerized services. PULSE-SIGNALING phones work on both rotary and tone lines, but do not produce tones. Not for party lines.
